Dear Honorable Judge Alison J. Nathan,

My name is Anthony Rodriguez, inmate number 74402-054. I was sentenced to 108 months and I've done 60 months out of that sentence. My time in prison helped me control my anger and I ~~now~~ realize how much I been hurting my loved ones. I'm writting you this letter to inform you on how I'm being neglected in FCI Fort Dix institution. As you know by now there's an outbreak in this prison. 252 out of 262 inmates have tested positive for Covid-19 in my Unit alone. I'm one of the inmates who tested positive for the virus. My unit 5812 is being used as a quarantine Building. Everytime Staff test an inmate and he comes up positive Staff brings the inmate in our unit and we're exposed to the virus once again. There's no way I can quarantine or Social distance in this Facility being that we all live in 12 man Rooms. There's no medical staff on the Weekends

here. I'm not able to buy the things I need to help me get through my symptoms such as tea, vitamins, and other necessity. I been denied legal calls from my Counselor and I have't recieved legal mail from my Lawyer Since this pandemic whch is illegal. I know I committed a serious crime and I'm being rehabilitated for society but I'm afraid for my health and safety.
